A.

For a full wedding day, I'd expect to deliver no less than 400 images, however this can vary wildly based on how much you have going on!

Q.

Can I pay by credit card?

A.

Of course! You can pay by credit card or BACs, if you need any flexibility (payment plans etc) please just let me know!

Q.

Do you charge extra for travel?

A.

My pricing includes travel within most of the UK, However, there may be some additional fees if I can't reach you easily by car
